INTRODUCING
VS ATTRACTIONS

Be irresistible and totally unforgettable. Ignite instant chemistry. Indulge skin in the sexiest all-over body experience with **NEW VS Attractions**, our latest and most sensual body care collection yet.

Every woman wants to be desired. And our customers have always told us that this is exactly how our fragrances make them feel — sexier, bolder, more confident. This idea inspired us. What if there was a way to maximize this powerful link between scent and attraction?

With VS Attractions, we have that secret figured out. It begins with our exclusive EverTempt™ fragrance cocktail, a special blend of notes created to radiate an almost pheromone-like allure. This addictive accord will make heads turn, cause others to take notice and draw admirers from all over.

We infused this intoxicating blend into every formula. Coupled with sensuous accords of warm ambers and intriguing musks, and feminine accents of fruits and florals, these scents make every woman feel truly irresistible.

VS Attractions: get ready for the attention!
