## VICTORIA'S SECRET BOMBSHELL BEAUTIES GRACE THE COVER OF *ELLE*'S OCTOBER ISSUE

September 20<sup>th</sup>, 2011– The [Victoria's Secret Angels](#) grace the cover of *Elle*'s October issue. [Supermodels Miranda Kerr](#), [Chanel Iman](#), [Doutzen Kroes](#) and [Adriana Lima](#) channel the more-is-more fashion ethos of classic '80s *Elle*—offering proof that Bombshells never go out of style. October marks the Personal Style issue of *Elle* and it hits newsstands nationwide on September 20<sup>th</sup>.

“We felt it was time to show the sexy side of fashion again, enlisting four of the runway’s super seductive models – Miranda Kerr, Chanel Iman, Adriana Lima, and Doutzen Kroes in a story photographed by Alexei Hay and styled by ELLE Creative Director Joe Zee.” – *Robbie Myers, ELLE Editor-in-Chief*

Each Victoria's Secret Angel appears individually on eight different covers each styled two different ways. The issue features a sexy 16-page spread shot on the beaches of both Miami and Los Angeles. The Angels wore several key styles from the Victoria's Secret [Swimwear](#) Collection as well as the Heartbreaker Bra from the [Victoria's Secret PINK Collection](#).
