

VICTORIA'S SECRET OPENS IN PUERTO RICO!

Puerto Rico's first-ever Victoria's Secret opened at San Juan's Plaza Las Américas last week, with fans lining up as early as 3 am to be the first to shop and experience the brand new store. The Grand Opening celebration included a very glam arrival of Victoria's Secret Angels Alessandra Ambrosio, Adriana Lima and Erin Heatherton in a fabulous pink helicopter, followed by a ribbon-cutting ceremony, and TV and media appearances. The finale was a customer event with Adriana Lima, where fans got to pose for pics with their favorite Angel.
